Thank you for your support.  
All funds go directly to our extensive Grounds Development Plans

As part of our Facility Development plans Youghal GAA is building a 'Supporters Wall' that will celebrate our great history and the funds raised will help ensure we can look forward to many more years of success.

There are a limited number of bricks on the 'Supporters Wall' with each brick containing an individual or family name (max 30 characters).

The name honoured or family honoured on each brick will remain on our 'Supporters Wall' in perpetuity for loved ones to come and view and will unite past and present members of this great club over the past 125 years and counting.

You can buy your brick to honour a member, past or present, a parent, grandparent, child, a family member, a friend, or someone associated with the club in the distant past or presently involved.

The 'Supporters Wall' will give an opportunity to allow families and friends to remember and recognise the names of their loved ones contribution or association to the club throughout our celebrated history.

The monies raised from the 'Supporters Wall' will be used for our extensive develop plans as outlined on our website that will benefit our great club now and into the future.

Buy your brick here: [www.youghalgaa.ie](http://www.youghalgaa.ie)
